

**Spread of Khurpaka disease**

†4577. SHRI JHUMUK LAL BHENDIA: Will the Minister of AGRICULTURE be pleased to state:

(a) what steps have been taken by Government to check Khurpaka, the animal disease, spreading as an epidemic in various States; whether Central Government have dissociated themselves on the plea that it was a State subject; and

(b) if not, what are the State-wise details regarding number of animals affected by Khurpaka disease and those dying thereby?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (DR. DEBENDRA PRADHAN): (a) Government of India provides Central assistance to the States for Control of Foot and Mouth Disease (Khurpaka) under a centrally sponsored scheme "Assistance to States for Control of Animal Disease". In the wake of recent reported outbreak of Foot and Mouth Disease, a team led by Animal Husbandry Commissioner visited some villages of Haryana. The team assessed the situation and suggested guidelines to prevent spread of the disease. The Department have advised all the State Governments and Union Territories to remain vigilant and take necessary steps on war footing including vaccination and control of movement of livestock in order to prevent the occurrence and spread of the disease. The Department have requested the Ministry of Commerce to ensure that importation of livestock and livestock products from United Kingdom are not allowed without recommendation of the Department. The Regional and Animal Quarantine Officers have also been instructed to carefully screen all the consignments of livestock and livestock products from United Kingdom in order to prevent ingress of the disease. Central Government, therefore, have not dissociated themselves from the issue.

(b) The details of animals affected by Foot and Mouth disease during the last three years (*i.e.* 1998, 1999 and 2000) are given in the Statement.

---

†Original notice of the question was received in Hindi.

[27 April, 2001]

## RAJYA SABHA

## Statement

*Incidence of Foot and Mouth Disease in India during the last three years  
(1998, 1999 & 2000)*
